

SECRET

NEW ACTIVITIES

SUMMARY SHEET (e)

Research and Training

Purpose: To provide a research and data collection base for the several new activities being initiated in FY 1973. This in turn will provide the basis for the development and improvement of these activities.

Method: Use of contractual services (independent contractor type) to conduct research analyses on a WAE basis of the new activities.

Resources required for each year, FY 1973-1977:

Contractual services

\$12,000
